Nonprofits are the focus as Delap marks 75th year

CPAs recognize, support array of charitable organizations

Lake Oswego, OR (July 14, 2008) – Certified Public Accounting firm Delap LLP, formerly known as DeLap White Caldwell & Croy, LLP is marking its 75th anniversary in 2008.

In recognition of the community that has enabled it to succeed, Delap is celebrating by launching a giving campaign. “It is because of our community that Delap is turning 75. We believe that supporting and enriching our community is the best way to help ensure that the organization lasts another 75 years,” says Managing Partner Dave DeLap.

Delap has selected a variety of charitable organizations with which to partner. The firm is providing financial and volunteer support in ways designed to assist in the strategic goals of each organization over the next six months beginning in July. Some of the beneficiaries of Delap’s 75th anniversary giving campaign are: Oregon Food Bank, Schoolhouse Supplies, Children’s Cancer Association, Arts Council of Lake Oswego, and Special Olympics Oregon.

“We believe focusing our resources this way can enable us at Delap to help make a visible difference for community organizations with which we’re partnering. We are excited about the opportunity to make a lasting positive impact in our communities,” says DeLap.

Delap partners and support staff have pledged their time to beneficiary organizations, which will utilize the volunteers to assist in an array of activities.

Tasks with which Delap employees expect to participate include distribution of new school supplies for the Portland Public School district, collection of non-perishable food for Oregon Food Bank and support services related to the fall swim meet of Special Olympics Oregon.

“Delap is afforded this wonderful opportunity to give back to the community to celebrate our accomplishments and goals over the last 75 years. I’m proud to be a part of this celebration,” says MyKim Tran in Business Development.
